Richard Stone

“ A unique
photographic
history of the
Royal Australian Navy
1962-1972 ”

This superb 208-page coffee table publication containing over 600 mostly unseen colour/black and white photographs is due to be launched at the Vietnam Logistic and Support Personnel Reunion in Brisbane on Sunday May 30, 2004.

Contributions from over 120 former Navy and Army servicemen have captured the essence and the spirit of every facet of Naval life and lifestyles during this particularly interesting period in Australia's social and armed service history.

The book will be a companion work to the best-selling 2002 volume *My Vietnam*. (www.myvietnam.com.au)

Copies of the book will be available from the publisher as well as various Naval Associations after the initial launch. Part proceeds of sales will be donated to these Associations.
